Foreword

It is our belief that every graduate of Muskegon Heights High School leaves with a certain lasting devotion to the ideals, the experiences, and the opportunities which have been presented to him during his high school years. It is difficult to express exactly what we mean here without becoming sentimental. In our search for the right idea we have come to the conclusion that the stars and the heavens above us are symbolic of our goals. So we have chosen "Astronomy" as our theme for this volume of THE OAKS.

"Astronomy", to us, connotes many, many things today. In this era of automation, electronics, and atomic power, the hand of science is reaching far and still farther into the mysterious realms of outer space, as well as into the depths of the minutest particle. We Seniors of '56 likewise are looking upward and onward, as well as into our own hearts, to find the answer to a better world of the future. Just as men of science are illuminating the dark corridors of space, we hope someday, too, to use our power, enthusiasm, and wisdom, to brighten the dark caverns of ignorance and sweep away the tangled web of neglect. For knowledge, it has been said, "partakes of Infinity."

As you turn these pages, therefore, have faith in us who are only beginning our journey upward and onward through the clouds and into the clear blue sky beyond. We hope and pray that with determination and high ideals, we shall someday find a better world than any of us have ever seen. — G. M.

Mr. Jack W. Rice

To express our sincere respect and appreciation for a job well done, we, the Graduating Class of Nineteen Hundred Fifty-six, do respectfully dedicate this volume of The Oaks to you, our friend and teacher, Mr. Jack W. Rice.

"If patience were golden, you would be rich." Through your dramatic presentation of both history and English, even the dull-est and most difficult topics became interesting and exciting. You put life and spirit into ordinary English, and adventure and patriotism in history. Your help with the dramatic classes has been interesting as well as beneficial.

Your patience and guidance with our Student Council alone is worthy of the highest form of praise. Through your initiative and guidance our Council has continued to be an active and effective part of our school. Outside of your busy hours at school, you have actively participated in dramatics at the Civic Theater and in summer stock. You have patiently worked with us on our plays. That, in itself, was a tremendous job. You made actors and actresses out of relatively talentless students.

We salute you, Mr. Rice, for all the little extra things that you have done for us, the extra life that you put into your work. We wish you all the luck in the future. "Hats off" to a job well done!

Since the accurate use of the English language has become a prime requisite of good citizenship as well as personal achievement in our modern civilization, the study of language and literature is a compulsory subject — at least through the eleventh grade. In the twelfth, the general or terminal student may enroll in English VIII-B (which is a new and interesting course based on modern periodical readings, vocabulary, and functional grammar) or in English Literature and English VIII-A, both of which are a preparation for college English. Any student who so desires, however, may enroll in the college preparatory classes.

Offering a key to the romance and artistry of the Old World, the Foreign Language Department points the way to new horizons. By enrolling in French, Latin, or Spanish, students can extend their knowledge of foreign lands, people, and customs. Classroom aids feature foreign books and magazines, bulletin boards, phonograph records, and films. Pronunciation is closely checked by means of oral recitation and tape-recorder. In this way, each individual student is able to note his improvements.

The Music Department consists of three major divisions, the Choir, the Band, and the Orchestra. The department offers an opportunity to students who wish to participate in musical work. The courses are all elective and some students take as many as their schedule will permit.

ACTIVITIES

D. Hughes

Student Council

President, Katy Kile; Vice-president, Dick Hansen; Secretary, Ellen Robinson; Treasurer, Martin Ashley; Advisor, Mr. Jack W. Rice.

This was a very busy year for the members of the Student Council. The Council was host to the Annual Fall Convention of Region IX and XIII, inviting 200 representatives to meet here for a day. The Council sponsored all of the home football dances, and then, of course, there was the organizing of the new Pep Club, which proved an adequate provider of spirit and enthusiasm. Lyceum assemblies were secured, not to mention tea for the Style Show.

More important, perhaps, was the new plan for elections. A more democratic method of electing Council officers was devised for 1956-57, the students being instructed to take out petitions, hold a primary and final elections.

Newly organized this year, the Pep Club proved to be a very successful venture. The club was organized for the purpose of uniting school spirit, boosting the moral of players, and promoting good sportsmanship.

The club is a non-profit organization and membership is open to all students interested in the support of our athletic events.

Among their activities this year were the pep assemblies, posters on good sportsmanship, and the sale of pennants.

The future plans of the club include the development of a card section, and an organized cheering section.

"To create, maintain, and extend high standards of Christian character" . . . this is the purpose of the Hi-Y Club; and, because good citizenship is a pillar of this purpose, the Hi-Y sent delegates to the Hi-Y Legislature in Lansing last fall.

A highlight of the year came when Marty Ashley, a junior, was elected President of the Hi-Y Tulip District at Holland. Socially, the "Sock Shuffle" proved to be one of the most colorful dances of the year.

The Hi-Y showed their spirit of co-operation by joining the Y-Teens in April to sponsor the Easter assembly, and by being represented on the Greater Muskegon Hi-Y Council. The Club is grateful to its advisors, Mr. Schregardus and Mr. Hanson.

Aim of the Future Nurses organization is to acquaint the girls with the opportunities for and the need of nurses. Guest speakers help to bring this message to the girls from time to time, such as student nurses from Hackley Hospital. Miss Linda Fortenbacher, a student at St. Luke's Hospital in Chicago, also spoke.

The girls were introduced also to a little-known phase of nursing by going on a field trip through Campbell, Wyant, and Cannon Medical Center, where they learned about industrial nursing.

Under the excellent leadership of Mr. A. M. Courtright, the Engineers had a successful year, touring local industries as well as making a trip to the Ford Motor Company, at River Rouge, the Henry Ford Museum, and Greenfield Village. A few of the local plants visited by the Engineers include Bennett Pumps, Continental Motors, and Shaw Box Crane.

Meetings were held at the YMCA, and club members invited various speakers to talk to them there upon job requirements, salaries, and opportunities for promotion in the field of engineering.

The activities of the year included sponsoring the Annual Ledger Leap, attending dinners given by the Muskegon Division of the N.A.W.A. in honor of the high school Accountants, touring the Buick Corporation, a local Bank, and Sealed Power, where the group was shown various business machines and their uses.

Treasurer, Lois Reynolds; Advisor, Miss Maxine Cobb.

This year started off with a bang! All girls with a "B" average and 500 points in gym were eligible to join the Booster Club. The initiation headed by Lois Reynolds and Barbara Musich, was the funniest ever.

The big success of the year was the annual "Snow Ball" under the capable leadership of Melba Pierce and Marilyn DeFrench. It was topped off by the sponsoring of the busses for students to see Heights win the Class A Basketball Championship. Other activities during the year were putting on a skit for the Muskegon Pep Assembly, getting a movie for the cheerleaders, and discussing a placque for the girls' intramural sports winners.

The incentive behind the activities of the club this year, as always, was to boost the spirit of the school.

Under the fine leadership of Sue Hume, President of the Library Club, the library staff completed another successful year. Miss Kidwell, librarian, had a staff this year of 20 girls who helped with the repairing and re-arranging of books on the shelves. Mrs. Kari Franck and Mr. Donald DeWitt, English teachers, helped supervise the library during the 9 and 1 o'clock periods.

Membership depends upon maintaining a "C" scholastic average, being willing to work an hour a day in the library as assistants, and willingness to join in and have fun! The May Tea is a social highlight, for women faculty members and mothers.

Regular business meetings were held once a month with an occasional program meeting where slides were shown. The club's main project was the dance, Twin Tiger Tromp, following the Benton Harbor - Muskegon Heights basketball game. Latin Week and Pan-American Week were celebrated in April with all students invited.

Each year Forum Latinum presents medals to the outstanding boy and girl who achieved highest grades in a competitive Latin examination.

Chorus and Dancers extra.

Chaos results when movie star, Gale Joy, invades the all-male campus at Winsocki. The rollicking comedy, "Best Foot Forward," was presented as the all-school Spring musical on May 10, 11, and 12.

The plot centered around Bud, who sticks his neck out too far by inviting movie star, Gale Joy, to the school prom. When the day of the prom arrived, Bud's girl from back home, Helen Schlessinger, as well as Gale came to be Bud's date. Then the hilarity began.

The show featured all the hit tunes from the Broadway production, a dancing chorus, and a singing chorus.

Our band, for the first three weeks, was under the excellent direction of Mr. Paul G. Liddicoat, who left the Heights Public School System to take an administrative job at Reeths-Puffer School. When Emerson said that a loss isn't so bad when you gain something to replace it, he was right! The band gained Mr. Albert Meerzo.

During marching season, the band brought you the story from the "Medic", "Disneyland" and formations for local charitable organizations.

One of the main activities of the band after football season, was "Heights Nite". Approximately 100 students participated in this event. They made a noticeable improvement in concert season and received a 2nd place rating at the District Concert in Grand Haven.

The band was also well received in their Spring Concert. Some of their other activities of the year were: playing at all the pep assemblies, marching in the Memorial Day Parade, and playing at the Commencement ceremonies.

Among the Orchestra's other activities was their participation in the annual Easter and Christmas assemblies. The Orchestra this year took on again the musical accompaniment for the All-School musical, "Best Foot Forward."

Another credit to the director and Orchestra was the masterful way in which Mr. Galombeck performed his duties of Master of Ceremonies for the Band's annual Heights Night presentation.

Reserve Football

Undefeated Reserves

Yes, our Muskegon Heights Tiger Reserves, under the great leadership of Coach Gale Bolthouse, and his assistant C. P. Ziegler, went undefeated in nine games. The last time our reserves were able to do it was in 1952.

Our Reserves were never pressed too hard during their first eight games, but the Muskegon game proved their worth.

Who will ever forget the Muskegon boy running the opening kick-off back for a touchdown? Then Wally Herrala blocked a Muskegon punt in the end-zone and the ball was downed for two points. That made the score 6-2 in favor of Muskegon.

It was in the second quarter when Earle Harris intercepted the Muskegon pass and sprinted 80 yards for a T.D. in a fine display of broken field running. Titus Roberson converted and the Tigers led 9-6. The Muskies stormed back and scored again to lead at half-time, 12-9.

In the second half the Tigers came back with Tom O'Neil scoring and Roberson converting to give the Tigers a 16-12 victory. Coach Bolthouse got his first undefeated season since going into the coaching ranks, and also got his first victory shower, fully clothed, for beating Muskegon.

Coach Bolthouse's favorite saying is "Go-Go-Gol!" and the Reserves certainly did.

Tigers in Action

Ed Burton, big offensive end for the Tigers keeps going after catching a pass from quarterback Bob Slezak, during the Grand Rapids Creston game.

Earle Harris, our right halfback, picks up a nice gain, in the Tiger Reserves' thrilling 16-12 victory over the Muskegon Reserves, under the lights at Phillips Field.

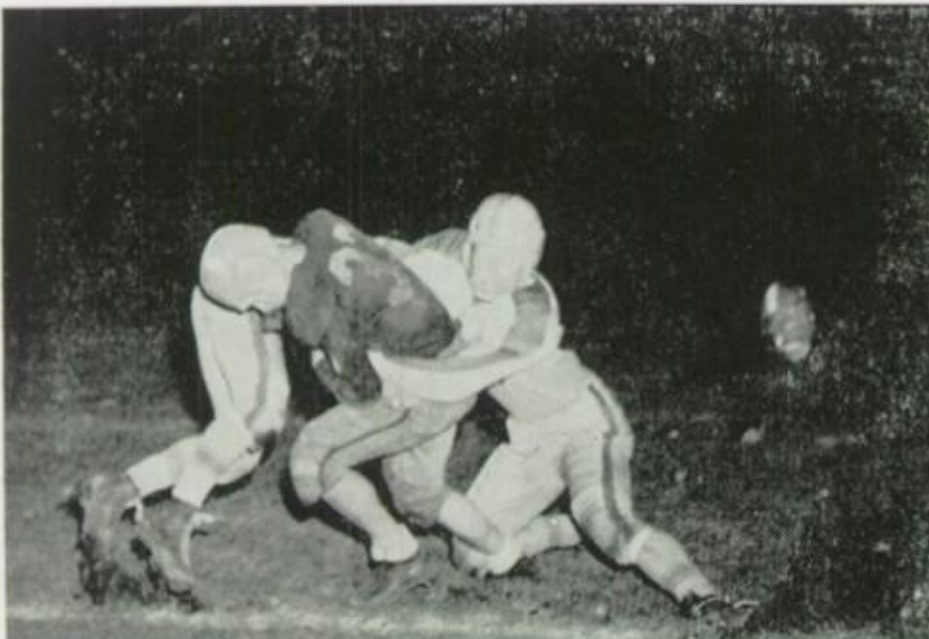

Dick Hansen leaps high to knock down a Benton Harbor pass as the Heights Tigers defeated the Harbor Tigers 19-6 in a Southwestern Conference game.

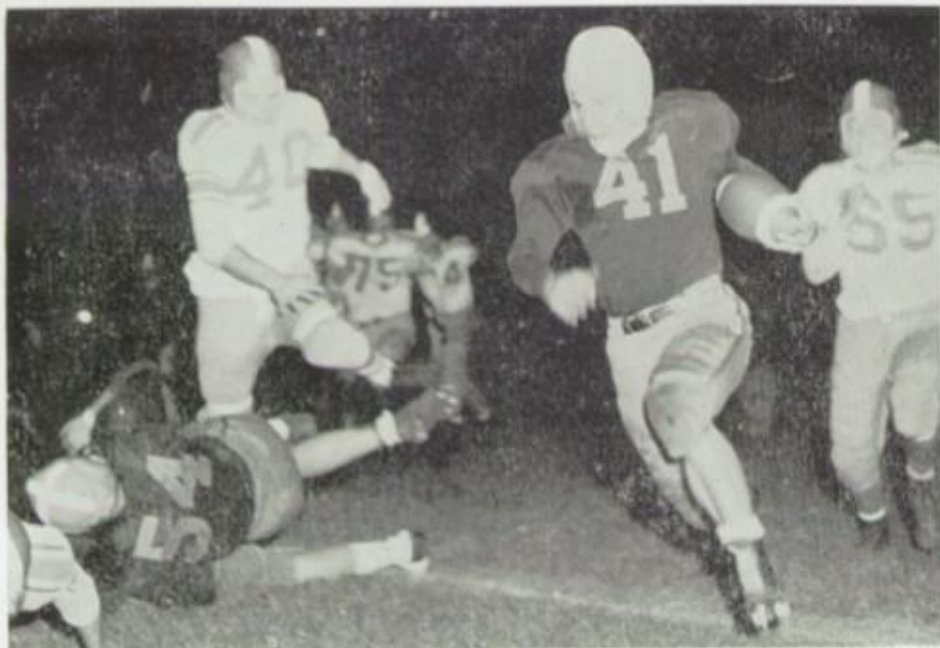

Reserves: Tigers vs. Little Reds
What can you say? It's the Tiger Reserves in battle with the Muskegon Reserves. The two Muskegon boys brought our ball carrier, Osie McCarty, after a long gain.

Joe Christie struggles for more yardage in our 27-12 win over Creston. Joe and Willie McCarty each scored two touchdowns in this game. Ted "The Toe" Halasinski added the three extra points.

This Muskegon ball carrier is in for a lot of trouble as Gary Stromp, Ken Weaver, Tom O'Neil, and Chuck Hansen are about to stop him.

Season of 1956

In beautiful running form, Vern Hosko picks up the longest gain of the night. Number 40 for Holland is about to go down, thanks to the blocking of number 54, Eddie McBride.

All-state tackle, Fred Hilliard, and Joe Christie, speedy Tiger halfback, close in on a Holland ball carrier deep in Holland territory. The Tigers won, 7-6.

Ted Halasinski starts on a run of 50 yards against Grand Rapids Creston as the Tigers went on to win 27-12. Ted also completed three extra point attempts.

Joe Christie, our left halfback is brought down after a 14 yard gain in our annual battle with Muskegon at their "sawdust bowl" called Hackley Stadium.

Five Tigers converge on a Grand Rapids Creston ball carrier. Left to right they are: Dave Krueger, Dick Vallie, Roger Tindall, Ted Halasinski and Kennedy Howell.

Here Ted Halasinski, Tiger Fullback, carries the ball against Muskegon for a long gain before 12,000 fans at Hackley Stadium. Ted gained 151 yards in this game.

State Champions

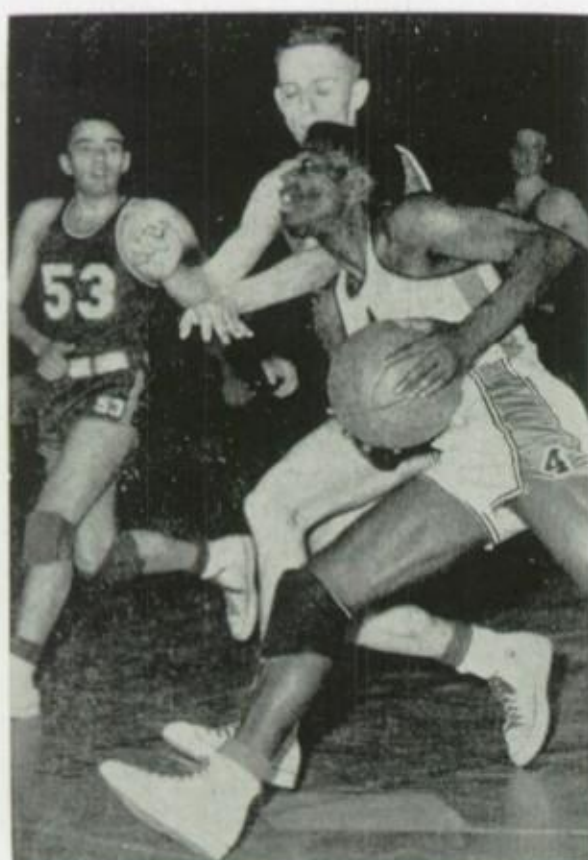

From a "building" year to another state championship! With only one regular from last year's regional championship team our Tigers brought home the class "A" trophy for the championship of Michigan.

Highlights of the season were scoring records set by Ed Burton of 45 points in one game and 484 points for the season. Ed made everybody's all-state in this, his Junior year.

This year also initiated our new gymnasium with the final home game vs. Benton Harbor drawing a packed house of over 1,600.

In three years Hts. Cagers have won three regional championships, two state titles and 56 of 61 games played.

Guard Willie McCarty shows why he was named all-tournament guard in this game against Grand Rapids Union.

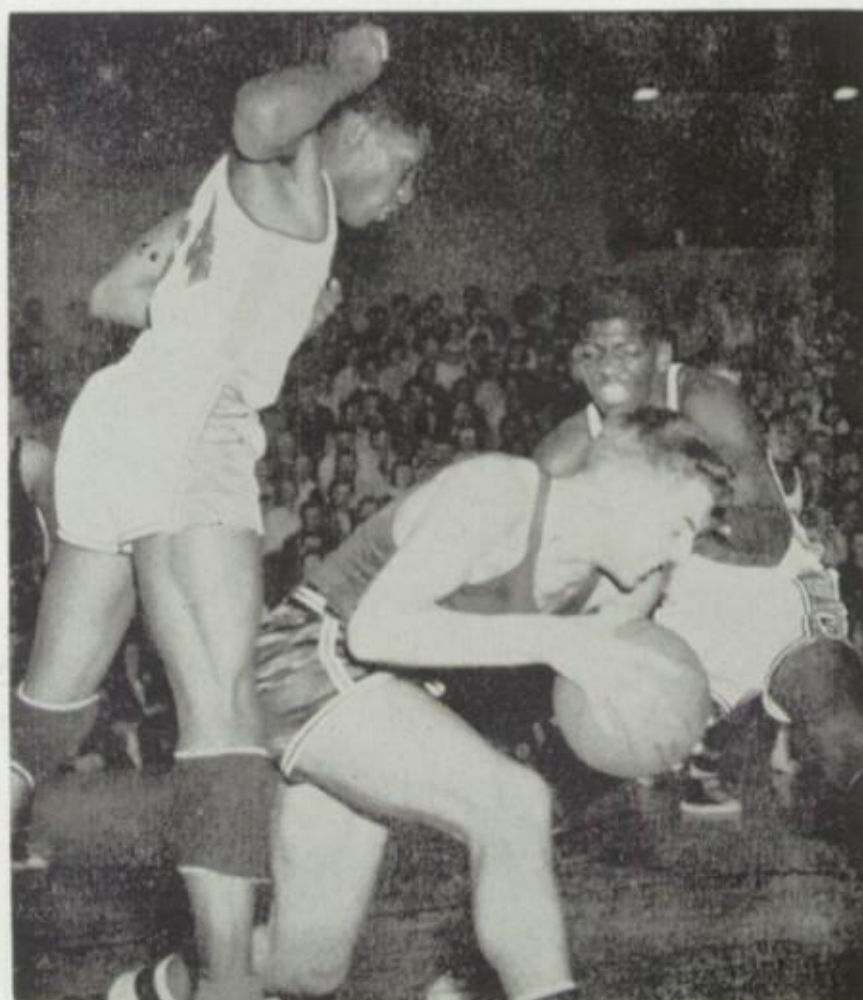

During the first semester fancy dribbling Ted Perry started at a forward position.

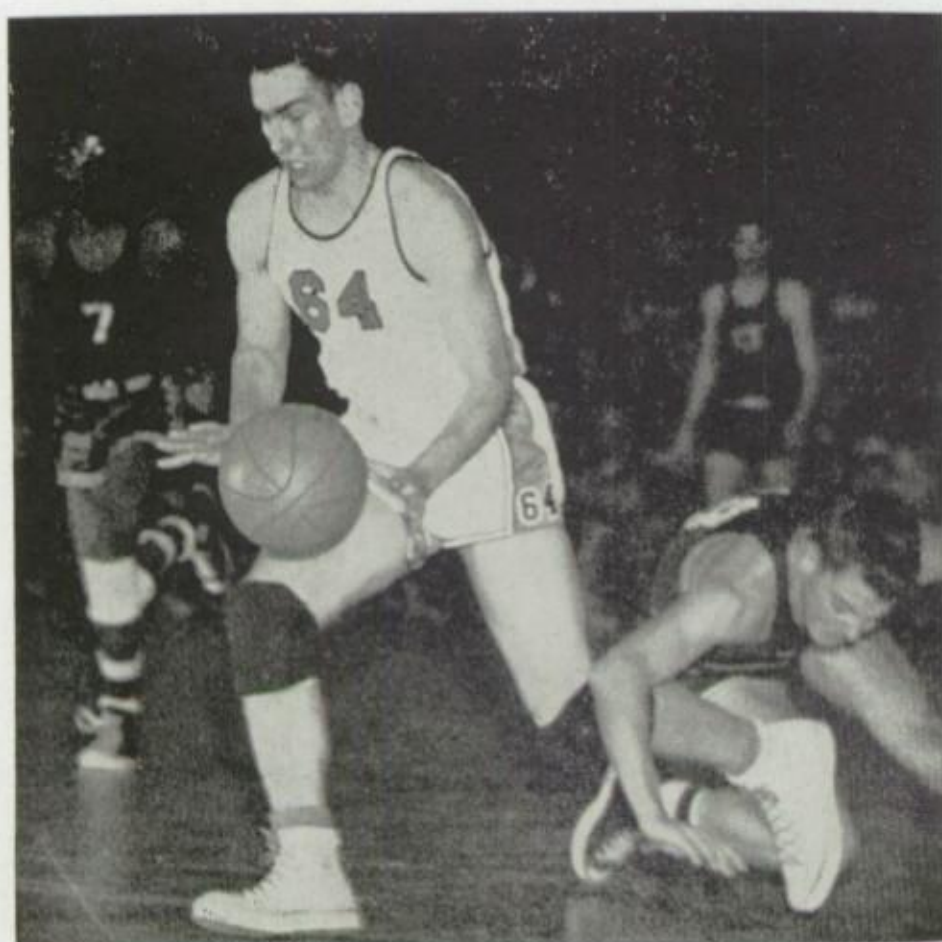

Deadeye "Nick" Howell, sharpshooting guard, cans two more points.

Leon Smith, play-making Senior forward along with Ed Burton, harrasses Muskegon's Wickland.

Co-captain for the first semester, Bob Slezak, steals ball from Muskegon.

Reserve Basketball

Under the able leadership of Coach Larry Schaudé, the Tiger Reserves finished the season with a winning record of 9 games won and 6 lost.

Osie McCarty was the "big gun" on the team, averaging 21.4 points per game. Two other Tiger Reserve players, Tom O'Neil and Steve Jackson, scored over 100 points for the season. Earle Harris and Ron Drier made up the rest of the starting team. Joe Huey, Randy Hubler, Bob Norris, and Walt McCrae also saw much action.

Hats off, to our fine Reserves!

Coach Oscar E. Johnson's Tigers came through the 1955 season with a brilliant record of 12 wins and 2 losses. The Southwestern Conference Championship again fell under the mighty bats of the Tigers.

Pitcher Bob Slezak and Outfielder Ted Perry were lost by mid-term graduation. Returning senior lettermen for the '56 season are Vern Hosko, Russ Viehl, Fred Hilliard, Bill Norkus, Ollie Webb, along with Junior Tom Christopher.

With this splendid group of returnees, the 1956 season's prospects looked bright when this book went to press.

Although the tennis team could not boast of a winning season for '55, the prospects for a better record in '56 are promising. Mr. John Sydnor is beginning his second year as varsity coach, and several seniors are returning.

Many of the veteran players feel that this should be the pay-off year. Lettermen returning for the '56 season are: (seniors) Gordon Murray, Carl Thom, Jerry Crane, Roger Tindall, and Ken Kubilins; (juniors) Bob Bramer and Dave Dawes.

An impressive number of fellows have indicated an interest in becoming members of the team this year, judging by the increasing number of hours spent on the courts during the summer months.

Many found time to play in the numerous tournaments held during the summer season. This will eventually build champions.

Boys' Physical Education

Gale McElrath and Doug Everett take time off from the parallel bars to have a friendly game of ping-pong.

Vern Johnson gives it a good "kick" during one of the many cageball games played this winter.

Did the foot hid the head or the cageball? Who knows? Cageball is always fun anyway.

The Drill Team newly organized by gym instructor, Mr. A. Cater, practices after school in the new gym.

Here the drill team performs at half-time during the Niles basketball game.

As Dick Williams kicks the ball, Bob Strevel blocks it. Bob Zufelt and Dick Harris wait for rebound.
